ENGINEERING CADETSHIP

- *A meaningful job for up to four years*
 - *Paid tuition fees*
 - *A career path for life!*
- *Induction into Ngati Whakaue values and history*

WHAT ARE THE BENEFITS?

- *On the job training*
- *Learn about your cultural heritage*
 - *No student loan*
- *Varied and interesting work experience*
- *Help design your papakainga, whenua, marae, kainga*

This exciting opportunity is a collaborative partnership with the Ngati Whakaue Education Endowment Trust Board and Rotorua Lakes Council. It is a fantastic chance to kick-start your career or change your career direction by studying towards a New Zealand Diploma in Engineering (Civil) through the New Zealand Institute of Highway Technology (NZIHT).

You will receive practical work experience and training whilst undertaking part-time studies toward a National Diploma in Civil Engineering. The cadetship is for a maximum of four years and applicants should have a minimum of NCEA or equivalent in maths, chemistry and physics.

Applicants must be self-motivated towards work, study and have an affinity towards their Ngati Whakauetanga. Applicants need an inquiring mind, a willingness to learn and a commitment towards gaining an engineering qualification.

Applicants must be a descendant of an original owner in the Pukeroa Oruawhata Block or a descendant of one or more of the 6 Koromatua of Ngati Whakaue <http://ngatiwhakaue-eetb.org.nz/>

Rotorua Lakes Council is a values based organisation and employ the most talented people to work together to deliver services for our customers which makes Rotorua the place to live, work and play.
